\*Earliest date for submittal of Request for Release of Funds and Certification Form is one day after termination of public comment period set for the Finding of No Significant Impact.

Finding of No Significant Impact

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above named City has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190).

The reasons for such decision not to prepare such statements are as follows:  
The project is located on individual residential lots and will have minimum duration and impact.

An Environmental Review Record respecting the above project has been made by the above named City which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying upon request at the above address between the hours of 9 am and 5 pm. No further environmental review of such project is proposed to be conducted prior to the request for release of Federal Funds.

#### Release of Funds

The City of Trinity will undertake the project described above with Community Development Block Grant funds from the North Carolina Division of Community Assistance (DCA) or Commerce Finance Center (CFC) under Title I of the Housing and Community Development Act of 1974. The City of Trinity is certifying to DCA that Frances Andrews, in her official capacity as Mayor consents to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the City may use the Block Grant funds and DCA will have satisfied its responsibilities under the National Environmental Policy Act of 1969.

#### Objections to State Release of Funds

DCA will accept an objection to its approval only if it is on one of the following bases (a) That the certification was not in fact executed by the certifying official or other officer of the applicant approved by DCA; or (b) That the applicant's environmental review record for the project indicates omission of a required decision, finding or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to DCA at 1307 Glenwood Avenue, 4313 Mail Service Center, Raleigh, North Carolina 27699-4313 or to CFC at 301 North Wilmington Street, 4318 Mail Service Center, Raleigh, North Carolina 27699-4318.
